

## **Re: Mission Creek Ranch**

You may have noticed the gradual changes and constructive improvements to Mission Creek Ranch of late, where D & L Equine Services aka Lynda and Daryl Ramsay have recently taken over as managers.

As such, Daryl & Lynda have requested that we pass on a few **very important** bits of information.

As KRC members, you are welcome to **pass through** Mission Creek Ranch to access the Mission Park Greenway. However, Daryl and Lynda require that you drop off a **signed waiver form** . Forms are available just outside the main barn office at MCR and they can be placed into the mail box or attached to the door of the office. Please make them out to "D & L Equine Services" and include your phone number. Also note that any forms signed before May 1<sup>st</sup> 2009 are no longer valid.

What's more and quite exciting is the fact that that Daryl has been sprucing up the back of the property. This hacking/cross-country area **is reserved** for MCR clients and people who **purchase a DAY-PASS** (\$10 subject to change). It is **YOUR responsibility** to check in with MRC to ask about **the RULES** surrounding the use of that area and to find out if the conditions are acceptable since changes to the water table can significantly affect the footing.

In addition and most importantly, we must all appreciate the fact that MCR is a private piece of property and that this is a generous neighborly gesture not to be taken lightly and to be treated with the utmost respect.

Be safe and have fun!
